MAXIMATOR AUSTRALIA MOBILE PRESSURE TEST UNIT

Maximator MPU with optional Data Logger.

STANDARD MPU SYSTEMS

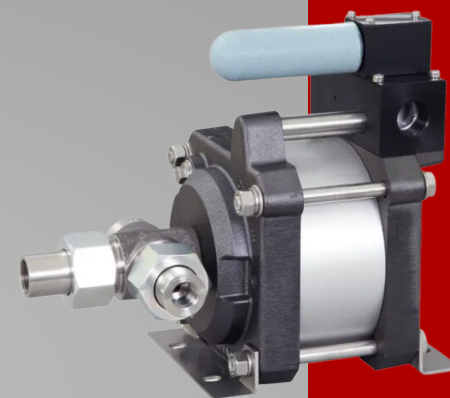

- Air Pressure Gauges
- Pressure Outlet Gauge
- Air Drive regulator (2)
- Pump on/off Valve (2)
- Master Vent Valve
- Outlet Isolation Valve
- Compressed air filter
- Stainless Steel construction with laser-etched control panel
- 50 Ltr tank with liquid level gauge
- 3-way valve (switch from tank supply to external supply)
- Full water filtration
- Filler breather
- E-Stop
- Puncture proof wheels
- Single or Dual Maximator G Series Pumps
- Options
 - Digital Data Logger
 - Test hoses
 - Test adapters

Additel Digital Pressure Gauges

Additel Digital Pressure Gauges, the ideal complement to your Maximator MPU. With features like data logging, Bluetooth connectivity, a user-friendly display, and seamless communication with Additel's Link Mobile application, these pressure gauges are a must-have for professionals requiring precise measurements in both workshop and field settings. Their durability and reliability make them the ultimate solution for your pressure measurement needs.
